FINANCIAL AND COMMERCIAL.

THURSDAY, APPU 20-6 P. M. On 'Change to-day wheat was dull and became beavy, undergoing a slight decline toward the close. Cotton was quiet and about steady.

MONEY FIVE TO SEVEN PER CENT. The money market was easy at seven per cent during the earlier part of the day, and becoming bundantly supplied late in the day, owing to the disbursements of the Sub-Treasury for the fivetwenties bought yesterday, the rate on call descended to six per cent on stocks, and five per cent on governments, with more offering at the same figures. Had not bank accounts been generally made up promptly in the afternoon the desire place balances might have led to still lower rates. Commercial paper was unchanged.

Foreign exchange was steady, but with the decline in gold promises to be more active. Rates were 100% a 110 for prime bankers' sixty day sterung and 110% a 110% for sight bills.

THE NEW LOAN. The additional subscriptions to the new loan reported at the Treasury Department to-day amounted

to \$250,000, making the total subscriptions to date \$60,426,750. THE TREASURY SELLS FOUR MILLIONS GOLD.

Owing to the excitement attending the bull specmistion in the Gold Room there was a large gathering of brokers at the Sub-Treasury at noon to listen to the reading of the proposals for the two millions of gold offered for sale by the government. The bids proved to be twenty-six in number for a total of \$8,985,000 at prices ranging from 111.02 to 111.63%, the latter figure being bid by one house for the entire two millions. This competition sent the crowd running back to the Gold Room and delighted the buils, who began buying on the theory that the award of the whole amount to the bidde at 111.63% would assist their operations,

GOLD EXCITED-111% A 111% A 111. Gold, which had opened at 111% and had sold Hernately at 111% and 111%, hereupon advanced to 111%, and remained at that figure until soon after one o'clock, when the announcement was made that the Secretary of the Treasury, to whom the bids and been telegraphed, had sent back orders to sell four millions of gold, or twice the amount advertised, his right to do so being explicitly stated in the reservation contained in the official programme authorizing an acceptance of a larger or smalle amount, as he saw fit. This emphatic expression of his determination to check a rising speculation in gold staggered the "bulls," who, in their fright oured their load upon the market until the price had gone down to 111, when the "bears," thinking it a good time to cover, began buying and occasioned a reaction to 1113., from which the market again went off to 111, closing finally at 111% a 111%. The European steamers took out \$414,000 in GOVERNMENTS STRONG AND DIGHER.

The government list naturally sympathized with the advance in gold, and when the latter was selling at 111% the '62's were 113% and the '67's 113, the highest figures this year. On the subsequent fall in gold the market yielded, but not to the same extent, the easier feeling in money now contributing a new source of strength. The market closed firm, with the following street quotations:-United States currency sixes, 115 a 115 4; do. sixes, 1881, registered, 116% a 116%; do. do., coupon, 116% a 116%; do. five-twenties, registered, May and November, 110% a 110%; do. do., 1862, coupon do., 113% a 113%; do. do., 1864, do. do., 113% a 113%; do. do., 1865, do. do., 113% a 113%; do. do., registered, January and July, 112% a 112%; do. do., 1865, coupon, do., 112% a 112%; do. do., 1807, do. do., 112% a 112%; do. do. 1808, do. do., 112% a 113; do. tenforties, registered, 198% a 109; do. do., coupon, 109% R 109)2. STOCKS ACTIVE AND RAMPANT.

The stock market opened strong and baoyant, and apon the discovery that the Secretary of the Treamry bad ordered the sale of four millions of gold became active and rampant. The transactions were on a scale of magnitude exceeding anything up to the present time this season, and were attended by the utmost excitement. The chief feature was again Lake Shore, which, in the hands of the Vanderbill elique, whose operations in the market are simply gigantic, ran up to 100%. The action of the Secretary of the Treasury also the numerous other cliques and revived the faltering courage of the outsiders, leading to an advance in Northwest to 91%, in Northwest preferred to 100%, in New York Central stock to 100, in New York Central scrip to 96%, in Wabash to 63%, in Rock Island to 113%, in Hannibal and St. Joseph to 98, and in Hannibal and St. Joseph preferred to 195%. The Stock Exchange Committee, having received assurances that the new \$3,000,000 of Erie stock would not be registered for thirty days, voted to suspend the law of the Board in the matter, and Erie remained quiet and steady. The following table will show the extreme fluctuations in the principal stocks:-

SOUTHERN SECURITIES STRONG.	

The Southern list was strong, with quite a reaction in the South Carolinas. It seems that the Charleston patriots who went short of their State's obligations, and then got up a mass meeting to oppose taxation, have reconsidered their intention, and are now speculating for a rise in the bonds The Missouris also strongly reacted. The following were the closing street prices:-Tennessee ex coupon, 66% a 66%; do., new, 66% a 66%; Virginia, ex coupon, 71% a 72; do. new, 72% a 73; do. registered stock, old. 55 a 56 %; Georgia sixes, 82 a 8h; do. sevens, 89% a 91; do. sevens, old, 92 a 100 North Carolina, ex coupon, 48% a 49; do., funding, 1868, 38 a 40; do. do., 1868, 30 a 31; do., new, 25 a 26%; do. special tax, 18% 20; Missonri sixes, 93% a 92%; do.
